

Prom Princess Project

The Prom Princess Project collects new and almost new formal dresses and suits, as well as accessories for formal attire, and will provide them free of charge to high school students in Mellette County, SD who are unable to purchase prom attire of their own.

YOU can help make dreams come true! Prom night is the special night all teens dream about and look forward to, but many do not attend this once in a lifetime event because they can not afford formal attire. A junior or senior should have memories of fun, friends and that magic that only comes during prom night.... You can help make sure that they have the opportunity!

Donations of gently worn formal attire are needed, as well as shoes, hair accessories, jewelry and makeup. Anything suitable for a dress up event, such as banquet or dancing, is accepted. If you have formal attire in your home that you have been looking for a use for, this is it!

Mail donations to :

**Johnny J Powell
Box 404
White River, SD 57579**

More information can be found at <http://www.gwtc.net/~dpowell/prom.htm>

**Thank you for taking the time to make
dreams come true!**
